About us

Global Agro Corporation Pvt. Ltd. (GACPL) was established in the year 2005 and the operating unit of the company is located in the capital of the country, i.e., New Delhi, India. The company is engaged in offering a wide variety of Agro Products in the overseas markets. Within short span of time, we find ourselves at a dignified place in the industry by nurturing best practices and innovations by extensive investment in technology, resources and logistics. We occupy a prominent position in the arena of India's rice export and achieved more than 100 thousand metric tons per annum.

Global Agro Corporation Pvt. Ltd. (GACPL) has established a true business model which has led to widening of global customer base. Our approach of continuously working on our quality standards with existing as well as new products has helped to contribute significantly to India's agro economy.

An extensive range is available to the most judicious of customers and with continuous development and improvement in production techniques, operating to all European standards, Food Safety and quality is assured with the latest state of the art technology and machinery.

Our Vision is to make Global Agro Corporation Pvt. Ltd. (GACPL) the most trusted and promising food brand globally.

Our Mission is to make the world experience the true aromatic flavour of India that bring joy and happiness to the palates of global consumers.
